☀ **Finally!!!!!! A HAIRSTYLIST WHO COMBINES A FOCUS ON STYLE, HEALTH, STRENGTH OF THE HAIR AND PROFESSIONALISM IN HER APPROACH.** I've been going to JoJo for over a year and my curly, thick, long hair has never looked better or been healthier. She knows how to style my hair, because she has the same type of hair and whenever I leave the salon my hair looks amazing and lasts with no additional heat or re-curling needed. JoJo is a game changer and I'm so glad I found her! - Shaundra Turner

☀ I have been going to JoJo for seven years. Over those years I've had several hair styles from long to short and relaxed to natural. Throughout all of those transitions, she has managed to keep my hair healthy and looking great! **NOT ONLY DO I LOVE JOJO FOR HER EXCELLENT SKILLS, BUT SHE IS ALSO PROFESSIONAL AND TIMELY.** - SBC

☀ Kimberly Coleman salon offers a calm, clean, and relaxing environment. I find all the staff to be friendly and experts in their departments. **MIA IS SO AWESOME! HER PEDICURES ARE TO DIE FOR** because she pays close attention to detail and gives you just enough to keep you coming back for more. **JOJO AND MIA KEEP UP THE GOOD WORK** and I look forward to continuing our relationship. - Rhonda Hrobowski
