☀ **WHAT A WONDERFUL EXPERIENCE** it is to have a great cosmetologist. Kim Coleman is fantastic! Her ability to style hair and incredible knowledge about hair care has made her a super star in her profession. She is wonderful, kind, and caring. I always receive compliments from the time I leave her chair until my next appointment. ☀ I have been a faithful client of stylist Kimberly Coleman for the past nine years. My hair was never this healthy until Kim began to work her **MAGIC. HEALTHY, SHINY, WELL CONDITIONED AND NICELY STYLED HAIR IS WHAT YOU CAN EXPECT FROM KIM.** I like the personal attention Kim gives to her clients. **GREAT SPOT FOR AN AWESOME PEDICURE, TOO.** I have referred several friends to Kim and her staff. The staff is professional and the salon is spacious and upscale. Love it, Love it!! – Antoinette McKee

☀ My first visit to Kim was suppose to be my only visit to her. I went to see her for an up do for a wedding I had to attend in Vegas. The care and expertise that she showed on that first visit has kept me coming back for the past 12 years. To say she is a fabulous stylist is an understatement. **REGARDLESS OF MY MOOD WHEN I WALK INTO THE SALON I ALWAYS WALK OUT FEELING LIKE A ROCK STAR!!!** Several years ago when my mom was struggling with breast cancer I missed a couple of appointments. Kim called me to see why I had not been coming and I explained that my schedule was hectic because of my mom's illness. She told me that I did not need an appointment and that I could come whenever I wanted regardless of the time or day. That small gesture made that difficult time a little more bearable. When my mom passed not only did Kim do my hair without charge (and without an appointment) but she bought me flowers, a card and lunch while I was in the salon. For a couple of hours I was able to forget all that was going on in my life and for that I will be forever grateful. – Donna

Using current technology to book, cancel and reschedule appointments is a plus as well. In addition, the culture of the salon exudes extreme professionalism. I can appreciate the trendy decor, location and fellow clientele; if you are looking for a gossip venue, then this salon is not the place for you. Lastly, if you have natural hair; look no further. **AFTER TWO MONTHS OF GOING TO KIM, MY HAIR GREW SO MUCH THAT MY FRIENDS THOUGHT I HAD A WEAVE;** I always leave with my hair looking silky and I am still amazed since my natural hair is so tight and curly. ☀ I was introduced to Kim by my dear friend Yolande not long after the birth of my second child. I told Yolande that I was in desperate need of a talented and trustworthy hair stylist. Having just met one of Kim's friends and seeing her work and her hair for herself, Yolande had a gut feeling that Kim was the one for me and she could not have been any more correct. **KIM IS ONE OF THE MOST HARD-WORKING, PROFESSIONAL, KNOWLEDGEABLE, HONEST AND FASHION FORWARD INDIVIDUALS THAT I KNOW.** She along with Charlene, Chasity and other members of her amazing staff make everyone of my visits comfortable and enjoyable. ☀ I was in a situation. I was losing my stylist of more than 10 years. She recommended two stylists to me one male (name withheld) and Kim. I went to the other stylist first as he was closer in proximity. Mistake after a few months I was having a bad hair day every day. I then went to Kim and have been with her ever since over ten years now.
