☀ I have been with Telona since she was doing hair in the kitchen of her home; before Pivot Point. I was impressed with her **raw talent** at the age of 15. Telona was **so precise with her cutting** technique at such a young age. She is even better now. Telona works with such passion and perfection. Telona always gives 110% of herself to her clients. She is a beautiful person inside and out. She would be a wonderful asset to any team.

☀ I have had the pleasure of being Telona's client for over 22 years. She's more than my hair stylist, she's my family. **I have trusted her with various personal transitions from color, cut and styles** and I have to say, I always feel like it's my first time in her chair! I love her.
